AND MAKE A DIFFERENCE TO PATIENTS WITH
A PROGRESSIVE LIFE-LIMITING ILLNESS IN
YOUR LOCAL COMMUNITY

At Rennie Grove Peace Hospice Care we support people of all ages who are affected by a progressive life-limiting illness, and those who care for them, to live the best quality of life they can. Our care is provided at no cost to our patients and families, and while we receive a small proportion of NHS funding, we rely on the generosity of the local community to fund the majority of the costs of the service we provide.

Our Vice Presidents' and Presidents' Circle programmes provide a committed and regular source of income to help support our overnight service. This vital service brings clinical relief at night to patients in the familiarity and comfort of their own homes as well as reassurance and emotional support for their family.

Helen from Harpenden:

“Having someone to turn to, who can help at that most distressing of times, is priceless.

Dad was in a lot of pain and a Rennie Grove Peace nurse came out at 10pm to set up a syringe driver of morphine to get it under control. That allowed Dad to settle, and he died peacefully in the early hours of the next morning. When Dad died, the Rennie Grove Peace nurses came straight away and supported Mum by washing and dressing him. The exceptional care we received made such a huge difference to our experience at a terrible time.”

We are extremely grateful to our current Vice Presidents and members of our Presidents' Circle who help fund one of our specialist overnight team nurses. This service has long been established in the Buckinghamshire and west Hertfordshire areas and is vitally important to patients and their families helping them to feel less vulnerable and isolated when other healthcare services are closed.

Now for the first time, our overnight service is available in south west Hertfordshire, enabling us to care for even more patients and families in distress every night of the year.

You can help support the growth of this second overnight team by becoming a Vice President or member of our Presidents' Circle.

Vice Presidents Professor Stephen and Dr Alison Spiro:

"For us the main attraction is knowing that we are making a real difference to the lives of patients and families in our local community who need hospice care during the night. We are pleased to be part of a growing group and have enjoyed meeting fellow Vice Presidents at the annual reception and other special events, as well as regularly hearing about the impact our support has on patients."

PRESIDENTS' CIRCLE

Join the Presidents' Circle by pledging to give £5,000 or more as an annual commitment to Rennie Grove Peace for a minimum of three years. In addition to the Vice Presidents' benefits, we commit to:

- Provide an opportunity to hear from our Presidents who are at the very heart of the charity – Moira Rennie MBE, Dr Mary Groves MBE, and Professor Stephen Spiro OBE. Moira is the widow of the very first patient, Iain Rennie, after whom Iain Rennie Hospice at Home was named. Mary was instrumental in launching the appeal that created Grove House in St Albans, recognising a need for specialist cancer services in the area. Stephen was Chair of the Board of Trustees at Rennie Grove where he was the driving force in transforming hospice care and ensuring more people than ever had access to its services.
- Invite you to an exclusive annual event hosted by our Chair of Trustees, where you will have the opportunity to meet other members of the Presidents' Circle and hear the latest news from Rennie Grove Peace Hospice Care.
- Enable you to experience first-hand the work of our E-commerce or Outpatient & Rehabilitation team.
