Thank you

We're so grateful for your donations of items to sell in our charity shops. That top you no longer wear, the china you never use or the books you've already read – all of this can be transformed to specialist care for patients and those around them affected by a life-limiting illness.

Make your donation worth even more

If you're a UK tax payer, you can add even more value to your donation – at no extra cost to you – by signing up to the retail-specific gift aid scheme for charities.

Gift Aid – your questions answered

What is Gift Aid?

Gift Aid is a government scheme that lets charities reclaim the tax you've already paid through UK income tax or capital gains tax. You just need to have paid at least the same amount in tax as the gift aid amount we'll claim back in each tax year.

Great – but didn't I already sign up to gift aid when I donated online?

There are two separate schemes for Gift Aid. One for monetary donations and one for items donated for charities to sell. Please sign up to both schemes to make all your generous donations worth even more to us.

What difference does Gift Aid really make?

For every £1 you give - or for every £1 we raise by selling an item you donated – we can reclaim an extra 25p from HMRC. So you can make every kind donation worth 25% more simply by filling in our form.

Gift Aid doesn't cost you a penny – but it means every donation you make goes that much further

Is there anything else I need to know?

As with any government scheme, there are some formalities. Our 'Agency Agreement' says that when you Gift Aid the items you're donating, you're agreeing for us to sell them on your behalf. It also explains when we must contact you, for example, if your donated items sell for more than £100.

We are then required to ask you if we can keep any additional sales value over £100 before claiming gift on the extra amount. The scheme also requires us to send you an annual statement before 31 May each year if the value of sales from your donations is £20 or more, or every three years depending on which comes first. Please let us know if you would prefer to receive your Gift Aid statement annually or if your contact details or tax status change:
